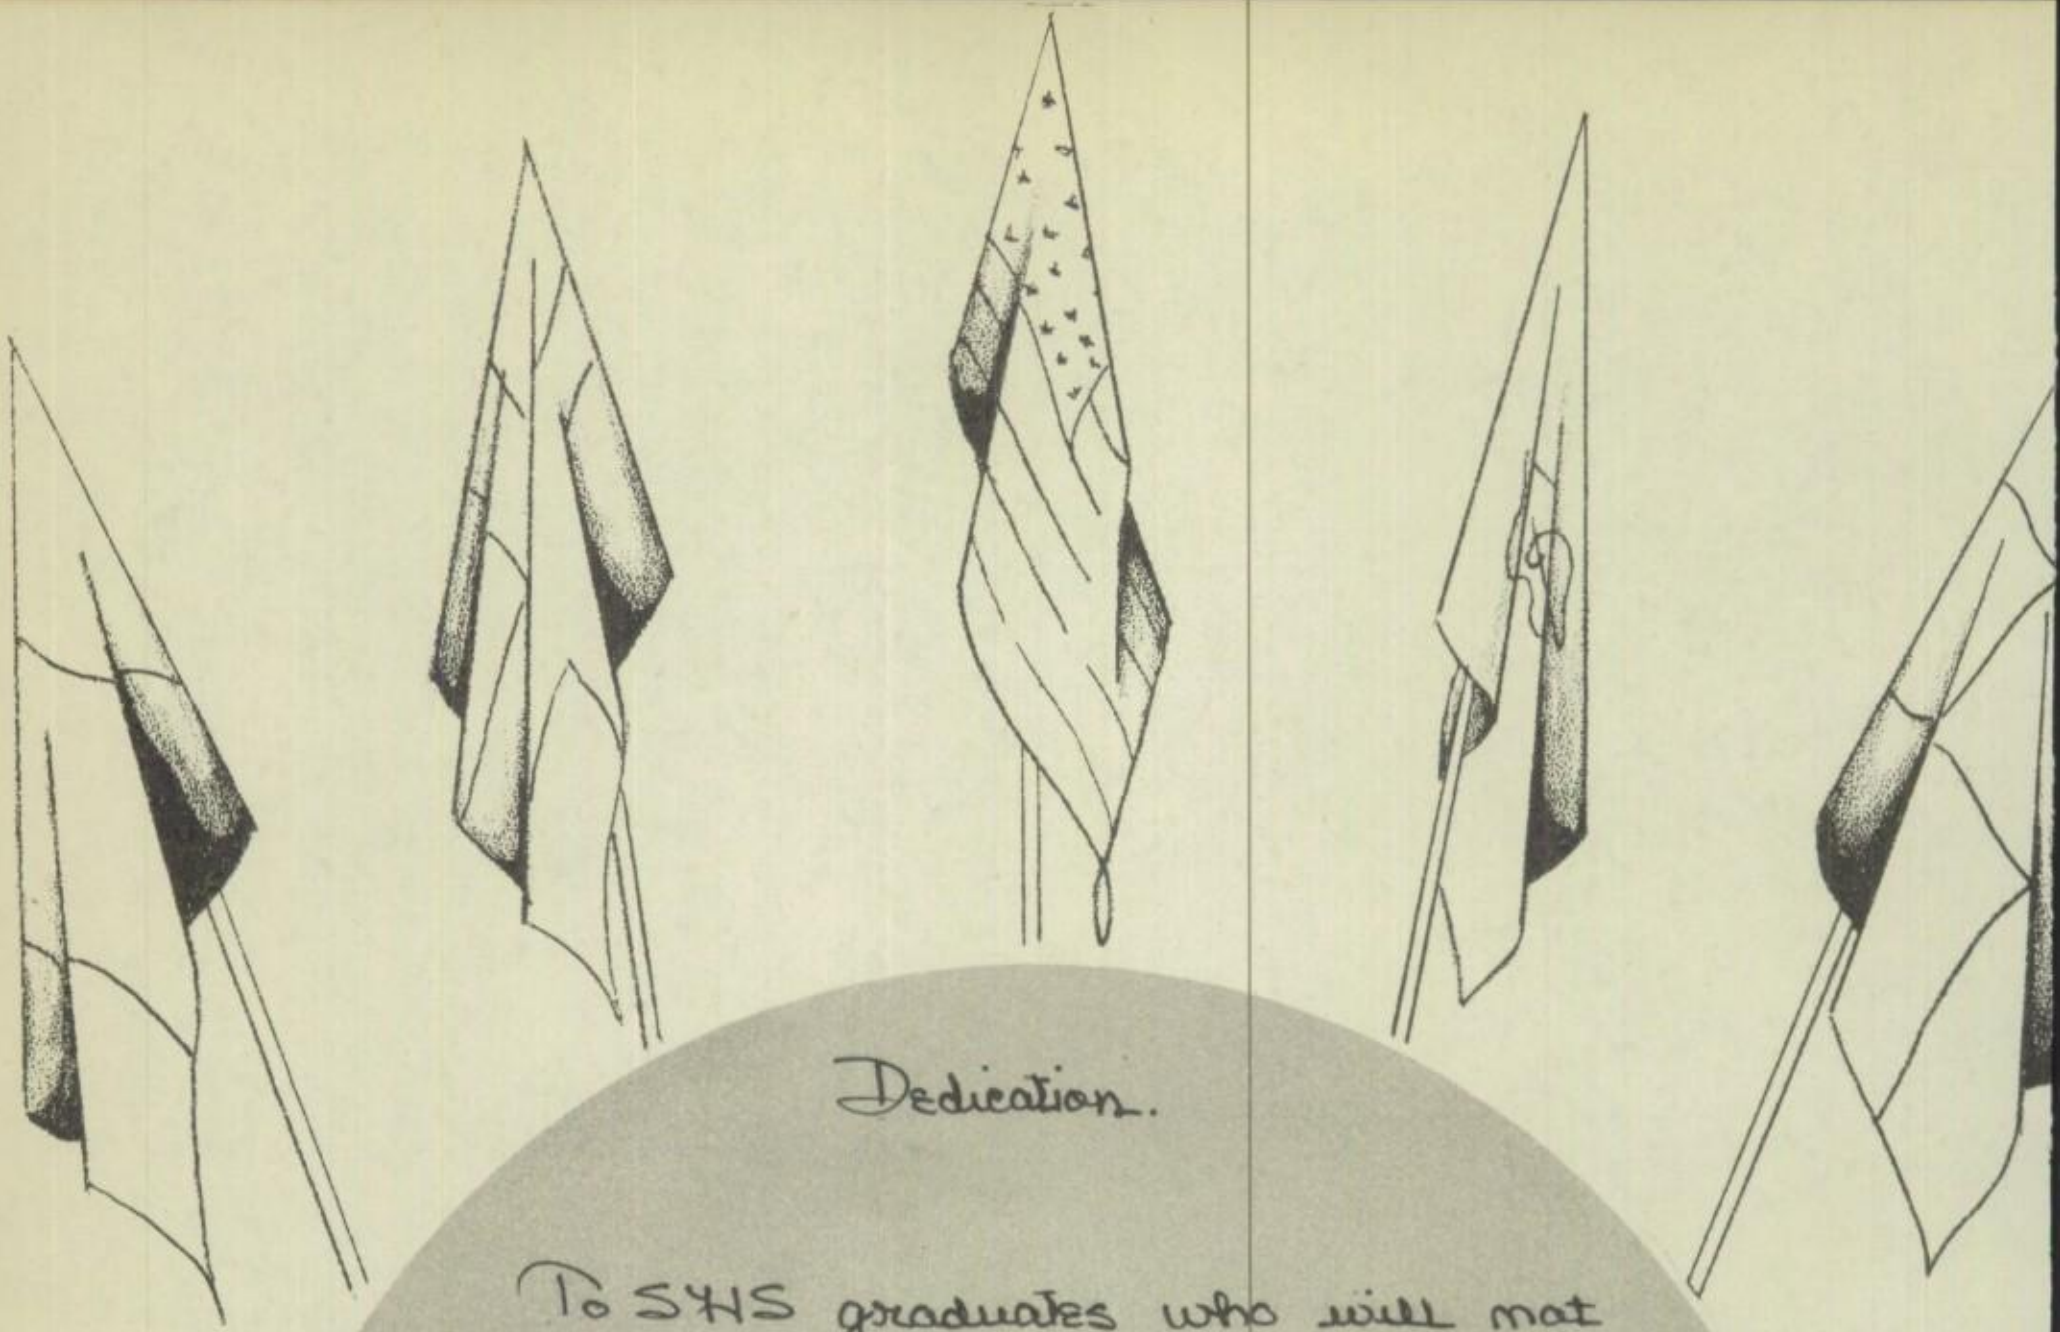
1945 The Trail

Salina High School

Salina, Kansas



Dedication.

To SHS graduates who will not come home again we dedicate this Trail. There are many — for this is 1945 — and this is war. They went from familiar things to places they knew only as names in geography books.

All over the globe — France — the Philippines — China — Germany — they served. Many sacrificed to earn a peace, security and freedom they will never see. To these men we dedicate this book, with hope that it represents a part of life for which they fought, and died.

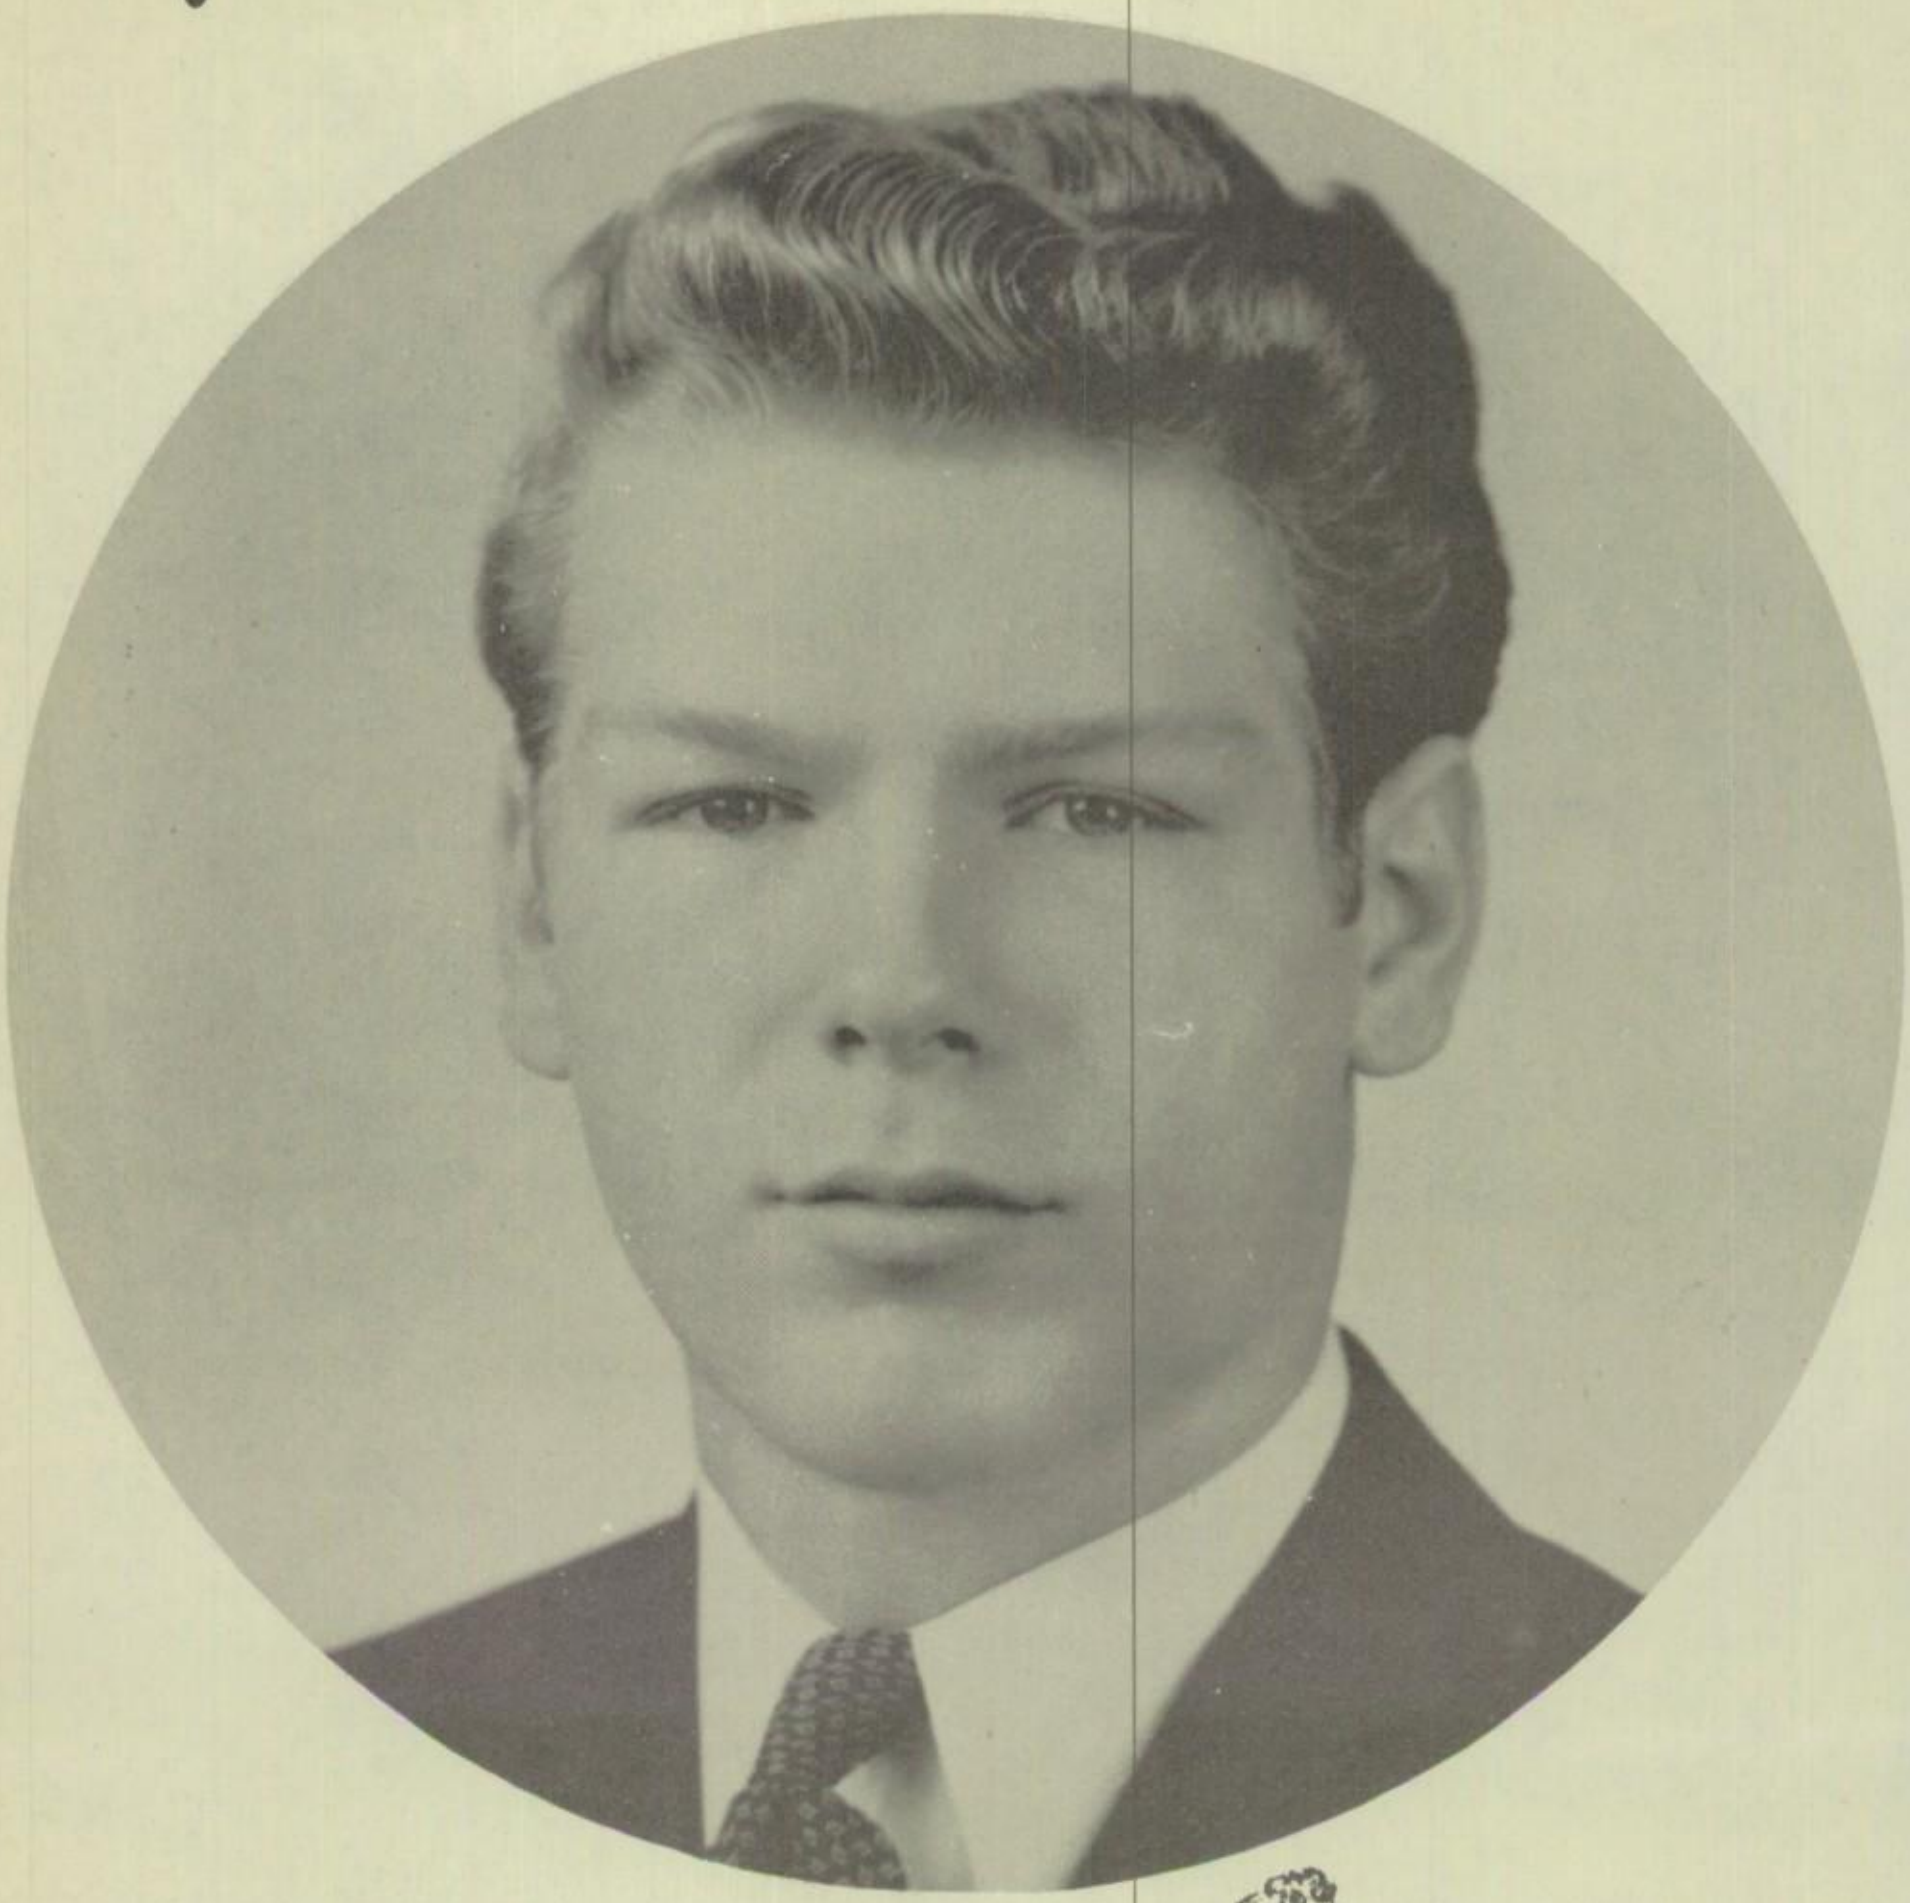
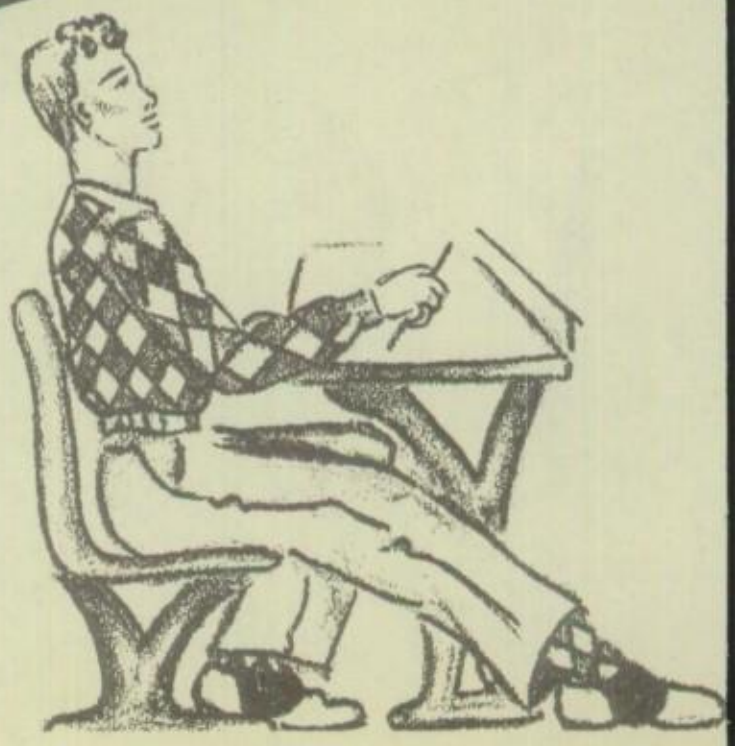
HONOR

Glamorous Ann Baughman, 1944 Homecoming Queen, reigned over the Homecoming Game in which the Maroons won 27 to 12 from the Hays High Indians. Elected by the juniors and seniors of Washington High and crowned by Student Council President Charles Marsh during an impressive between-halves ceremony, Queen Ann was attended by seniors Barbara Flora and Betty Rich.

Representative Boy



Charles Hoffhaus, chosen by the senior class and Washington faculty to be the Representative Boy of 1945, easily measures up to the standards of this position--comradeship, achievement, cooperation, dependability, and high ideals. He ranks high among his fellow students, having been editor of the Salina High News, Boy of the Month for February, and an active member of Hi-Y. Prominent in other fields, Charles had the lead in the Dramatics Club play, "Remember the Day", lettered in football and wrestling, and is a member of the National Honor Society.



Pretty, vivacious Eloise Hodgson was chosen to be the Representative Girl from Salina High School in the twelfth annual election of this type. Eloise, known by her many friends as "Hoddie", has been outstanding throughout her high school years, serving four years on the Girl Reserve Cabinet, an active member of N.F.L., and a member of the SHS News Staff. During her senior year she was president of the Dramatics Club and a member of the National Honor Society. Her pleasing personality and dependable leadership truly make her representative of the Class of 1945.

SHS Debaters' World

Salina High debaters of 1944-45, arguing the issues of the question: Resolved That the Legal Voting Age Should Be Reduced to Eighteen Years of Age, made themselves C.K.L. champions when they won out over McPherson, Junction City, Abilene, and Chapman in the tournament held in Salina February 7. The debate season closed for Salina High when they participated in the District meet on February 10. This event marked the end of an interesting and educational season for the 22 members of the debate class and their coach, A.J. Dawson, which began with an October debate institute and demonstration at Lawrence, attended by six members of the Salina squad, with one member participating in the demonstration debate. Six debaters also attended the Wichita institute held October 28. The entire squad went to Russell November 18 for the first tournament of the season, in which Salina won first and third places. Salina debaters attended their second tournament December 1-2 with ten speakers making the trip to Topeka. The following weekend found 12 Salina squad members in Hutchinson for the third tournament. January brought two major tournaments: Wyandotte January 12-13; at Wichita January 19-20 where Salina tied for third place. Salina debaters were host at the annual N.F.L. tourney February 3 which was won for the second consecutive year by Wichita North.

After a hotly contested game with the Topeka Trojans in the 1945 State Cage Finals at Emporia, the Fighting Maroons under Coach Earl Morrison emerged as State AA Basketball Champions, bringing to a close the most successful basketball season in SHS history. This was not only the first time Salina has ever won a State Championship, but also the first time any Central Kansas League team has taken the crown. After winning the CKL Championship, without a defeat, Salina went on to win the Regional Tournament, defeating Manhattan 66 to 28 and winning an overtime battle from Junction City 41 to 37. The following weekend the boys moved down to Hutchinson for the state semi-finals. There they defeated Ark City 41 to 24. Newton was beaten in another overtime by the narrow margin of 39 to 38. When the Morrisonmen came up against El Dorado in the final game of the sectional, they were handed a 44 to 42 defeat. With their second place in the semi-finals which qualified them for competition in the finals, they moved on to Emporia where they met Columbus, so far undefeated. The Maroon Cagers won easily from Columbus 51 to 40. On Saturday, March 24, came the all-important game with Topeka to decide the Class AA Championship, final tally being 45 to 43 for the Salinans. The Morrisonmen piled up a total of 1208 points during the season of 26 games to their opponents' 871. The city of Salina showed their pride in the champions by letting the sixteen squadmen on April 2 "run the city for a day." This they did as well as the job they had done on the basketball court. The party given by the city commissioners for that evening at Memorial Hall gave all of the students chance to celebrate the victory.

Tournament Contenders

After a close race with Wichita East, the Salina wrestlers received second place in the State Tournament this year. This is a fine showing for a school that has had wrestling for only a few years. Salina lost only five falls to opponents and won twenty-nine, which is another fine record. Three Salina wrestlers, Don Sanborn, John Edmiston, and Bill Case, won State Championships in their own weight classes. Before participating in the State Tournament, the eleven entries staged an exhibition bout for fans as the curtain raiser to the Wyandotte-Salina basketball game. With eight of these grapplers returning next year, Coach Hitchcock has a promising 1945-46 squad.

Back Row: Bill Case, Jack Stewart, Dale Olsen, John Edmiston, Bob Schenewerk, Rollin Johnson; Front Row: Edwin Hitchcock, coach; Don Furtick, Kenneth Porter, Don Sanborn. Harold Hoyt, Bob Russel.

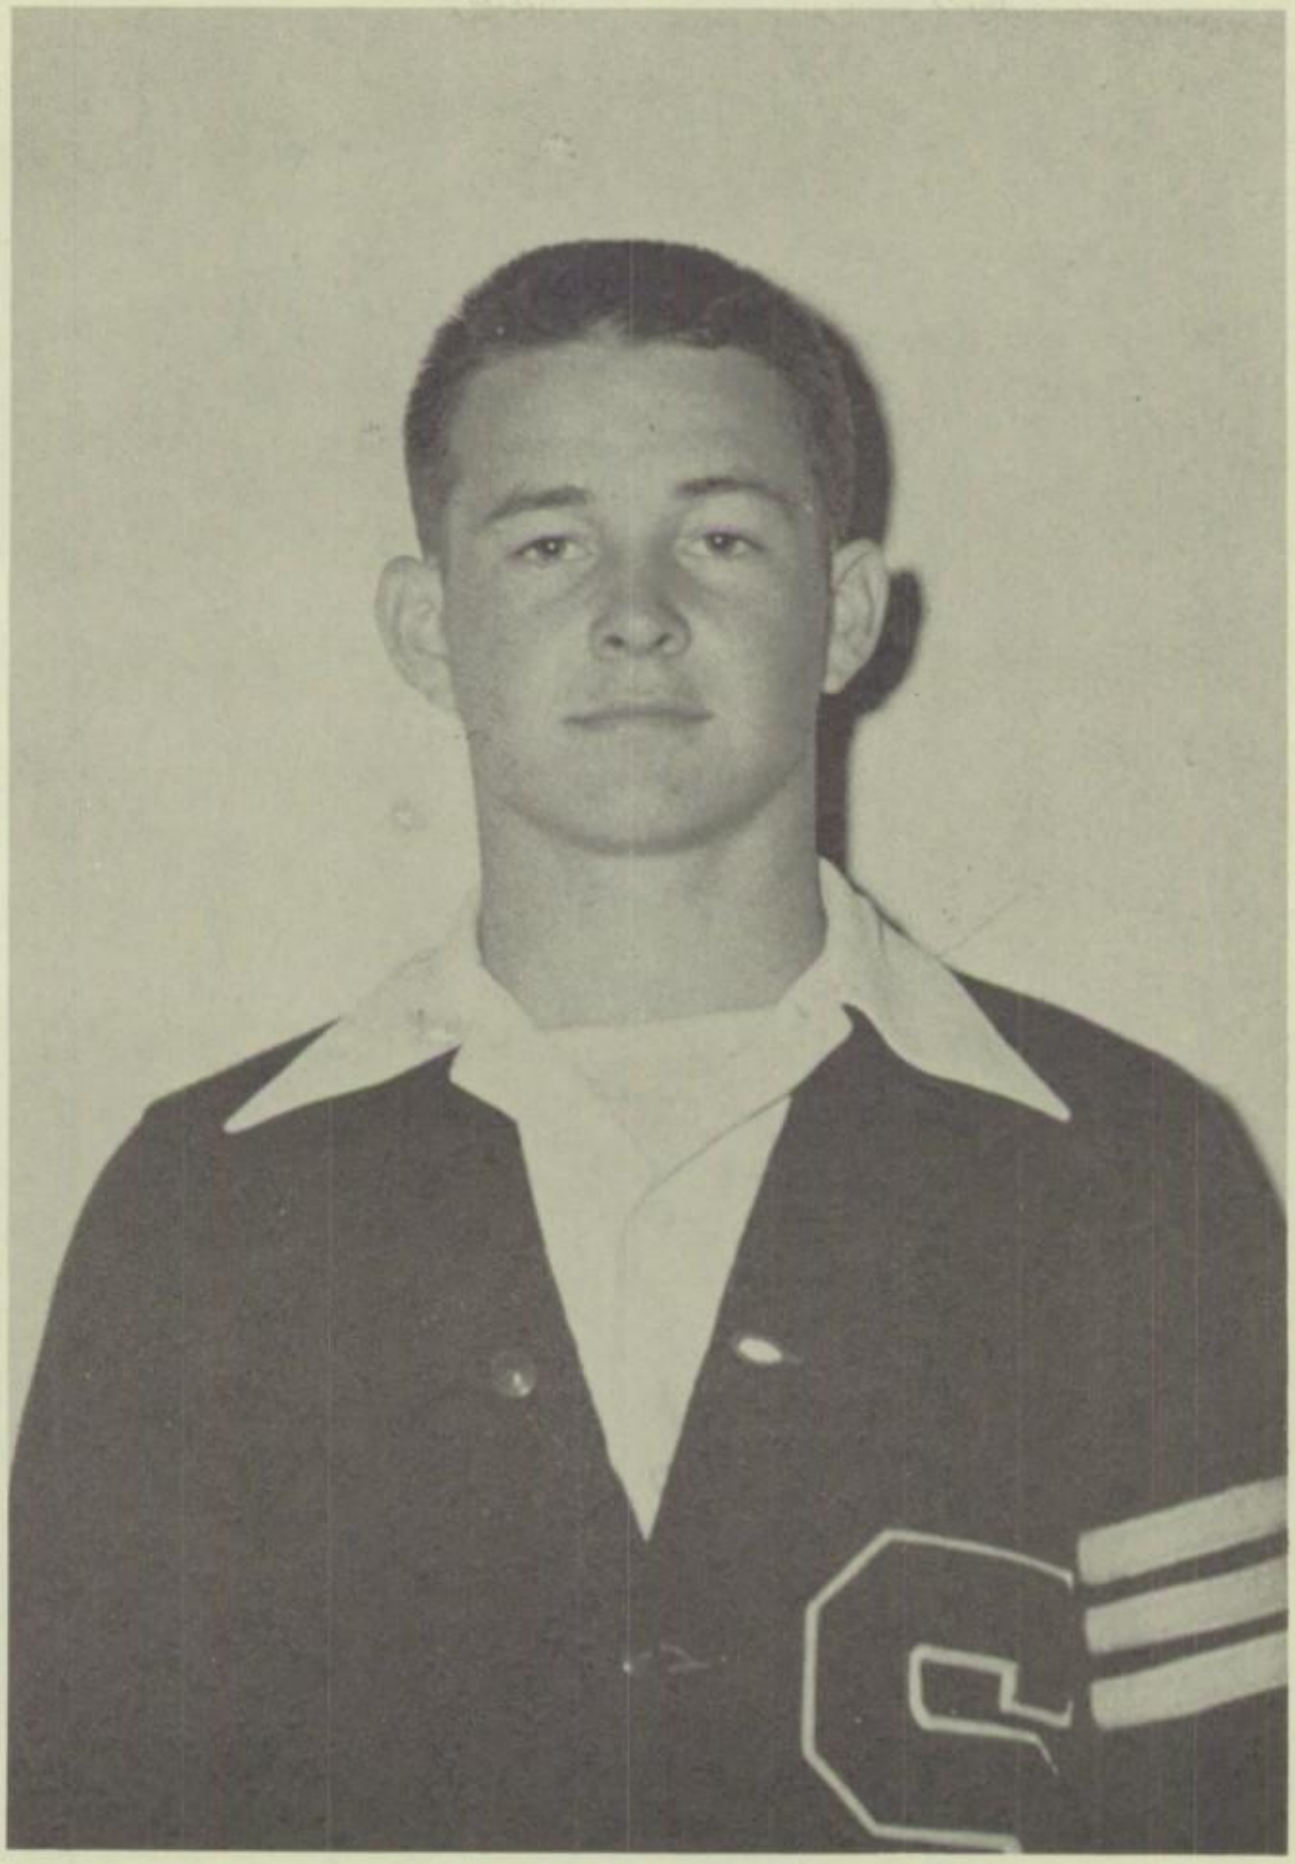
Their First Year

Members of the Lettermen Club made a fine showing for themselves as a service organization for Salina High. During the football and basketball seasons the letter-wearers assisted with ushering at games and with other activities. The club also sponsored several projects of their own. They sold tickets for and managed the B Team - Solomon football game last fall and also sponsored a double-header basketball game early in February. The player identification scoreboard used at Memorial Hall for the basketball games was designed and financed by the club. A new trophy case to be built inside the south entrance doors at Washington is another project of the club. Plans have also been outlined for placing the name "Maroon Field" across the top of the stadium in Kenwood Park. Starting the year with 31 charter members, the boys elected the following officers: Sandy Fahring, president; Dale Olsen, secretary; Bob Lindeman, treasurer. Earl Morrison, head basketball coach, is sponsor. Thirteen new members were added as they earned letters in football and wrestling during the year: David Shoffner, Fred Simmons, Guy Burkholder, Loren Powell, David Jones, Rudy Kramer, Ernest Schultz, Don Sanborn, Bob Russel, John Edmiston, Kenneth Porter, Jack Stewart, and George Morrison.

Most Valuable Athlete



Jack Lippoldt

Being chosen Most Valuable Athlete of the 1945 Class brought to a climax Jack Lippoldt's outstanding sports career at S.H.S. The selection each year is based on Training, Morale, Sportsmanship, Loyalty, and Record. Jack merits the award in all of these respects. The record he has made speaks for itself. Jack has won eight varsity "S" awards: three in basketball, two in football, and three in track. Save for a foot injury sustained last August, Jack would have won a third letter as a senior in football, bringing the total to nine awards, a record no athlete has achieved at S. H. S. for a number of years. This injury also caused much doubt as to whether he would be able to play basketball in the 1945 season. However the limb showed improvement during the fall and Jack won a starting position on the cage team. He supplied much of the "spark" that made Salina the Class AA State Champions.
